### Presenter:

Sister Sandy DeMasi, SSJ, Director of Liturgy at St. Rose of Lima in Short Hills, NJ, previously she served as Director of Divine Worship for the Archdiocese of Newark for over 13 years.

Many young adults who come to the Church to present their children for Baptism come for one reason: to get baptism for their baby. This workshop will address the multi-layered questions:

- *“What should the faith formation of adults who bring children for baptism look like?”*
- *“How does one strengthen and form Christian identity?”*
- *“How can the catechesis stimulate ‘full, active, and conscious’ participation in the life, worship, and mission of the Church?”*
